

## CDP 28: ESTHETICS – LEVEL II

**Dr. Gerard Kugel**

**May 13-15, 2016**

University of Florida Office of Continuing Dental Education

Excellent.....Poor

5       4       3       2       1       NA

**Speakers' Methods/Overall Course:**

- What overall rating would you give the instructors?
- How would you rate the teaching methods? .....
- How would you rate the audio/visual elements of the course? .....

**How well did the instructor:**

- Demonstrate scientific basis for the clinical and course content. ....
- Assess the benefits and risks associated with any clinical recommendation or treatment option presented?
- Demonstrate an appropriate level of scientific evidence
- Present the known benefits and risks of the subject matter where the scientific evidence is emerging or uncertain. ....
- What overall rating would you give this course?

Thank you – Your comments are very important to us! (Comment below if necessary)

*Excellent, very informative, thanks! Great teaching. Wish there was more time for some really important good stuff we all missed as you had to rush through due to lack of time! Some points in the handout are a little not clear / too small. some not there. Excellent lab help, encouragement! Thanks!*
